25X1

Meeting on Recommendation to Establish a Diplomatic Personality Index in COINS

A meeting of COINS participating agency representatives was held on 24 April 1970 to discuss the above subject. Attending were the following:

The meeting was initiated by a State Department File be established in proposal that a had distributed a form containing questions COINS. and suggestions concerning such a file when he set up today's meeting. The procedure followed today was to go through this form, question by question and allow the attendees to comment on the proposal. State Department had prepared its comments in writing and distributed them to the attendees. DIA had one copy of its comments which it gave to

3. The first question dealt with what level the file should be and if it should be initiated on a geographical or world-wide basis. State proposed that it be on a worldwide basis, the size being limited to the top people individuals) at a mission, and the principal consular offices.

> Excluded from automatic downgracing and
